

# **USD 507 Asbestos Notification**

Unified School District 507 is required by the “Asbestos Hazard Emergency Response Act” (AHERA) to notify you about our Operation and Management Plan for Asbestos Containing Materials within USD 507 facilities.

The Operation and Management Plan contains information of the location, type and quality of Asbestos Containing Materials, and results of inspections. It’s also a depository for all records of Asbestos Activity. The Operation and Management Plan is located at the Central Administration Office, 100 Caddo Street.

You may view the Operation and Management Plan anytime during regular business hours.
