

# Satanta Jr./Sr. High School Building Report

*USD 507 Board of Education Meeting*

**March 10, 2008**

*Ron Levan - Principal*

Parent/Teacher Conferences will be held in the commons area March 13 from 5:00-9:00 p.m. and March 14 from 8:00-11:00 a.m. A progress report card will be handed out to parents along with detailed reports from individual teachers.

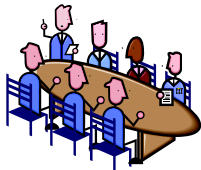

Following spring break, winter activities will be winding down and spring activities will begin. Forensics and JH Quiz Bowl will be completing their seasons. HPL Forensics will be on March 26 at Lakin and HPEA Quiz Bowl will be on March 27 at Syracuse.

Baseball has their first game of the season on March 31 at Sublette. Softball will visit Holcomb on March 25 for their first game of the season. Track season will also be getting underway. The high school track team will be at home instead of at Holcomb for their first track meet of the season on April 1. Junior high track athletes will be at Southwestern Heights on March 25 for their season opener.

Due to the damage at Holcomb from the tornado last fall, their track is not ready for competition at this point. This is why we will host the April 1 track meet. Satanta will host two junior high meets, April 3 and April 24, as well as one more high school track meet on April 22.

Meade High School and Junior High School have petitioned the Hi Plains League and the Hi Plains Education Association for admission. At our last HPL meeting Meade was represented by their superintendent, junior high principal, athletic director and a member of their school board. The issue of their sportsmanship was addressed and their superintendent assured everyone that they were taking steps to improve their behavior. However, certain recent events have transpired that, in my opinion, have not shown a true effort on their part. Each HPL and HPEA school was asked to go to their board of education to see how the board felt about allowing Meade to join the HPL and HPEA. I will need a directive from the board at Monday's meeting.
