

Satanta Jr./Sr. High School Building Report

USD 507 Board of Education Meeting

May 12, 2008

Ron Levan - Principal

The year is quickly coming to a close. Students and teachers are working hard in preparation of finals. Many of the remaining evenings will be spent with awards, banquets, and other activities. The board is invited to attend as many of these as possible as we recognize the achievements of our students. Baseball, softball, and track teams are preparing for league and post season contests with berths to the state tournaments at stake. Seniors will take finals on May 13 and 14. Graduation practice will be at 8:00 a.m. on May 16.

Awards ceremonies are scheduled to be held on May 15. The junior high awards program will be at 2:00 that afternoon. High school students will have their awards program at 6:30 that evening. Both ceremonies will be held in the high school auditorium.

Final exams for this semester will take place on Tuesday and Wednesday, May 20 and 21. The normal class periods will be used for testing. **All senior high classes** will administer semester exams. **All 8th grade core classes** will be required to administer exams. Eighth non-core and seventh grade classes will be tested as determined appropriate by the classroom teacher. Students will have a half-day of school on May 22nd. The last half-day will be spent checking in books, cleaning out lockers, and taking care of any year-end business. The teachers will have that afternoon for final checkout procedures. Report cards will be mailed home.

Seniors are making final preparations for graduation ceremonies at 3:00 on May 18th in the high school gym. I am pleased to say that barring any unforeseen circumstances, all seniors will graduate. Final grades for seniors are due in the office by 12:00 noon on Thursday, May 15th.

HAVE A GREAT SUMMER!
