

Satanta Jr./Sr. High School Building Report

USD 507 Board of Education Meeting

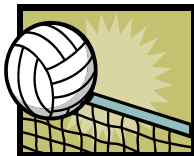

September 13, 2010

Ron Levan - Principal

The school year is off to a great start. It looks like we are going to be up approximately 2 students from last year's September 20th count. I won't know for sure about vocational or ESL minutes until my Principal's Building Reports is completed.

I have good and bad news about the new football scoreboard. The good news is that it is finally up and has power, the bad news is it looks like the company sent us the wrong control box. It is a wireless system and the control box they sent won't talk to the scoreboard. Mr. Heater and I are working to get us the correct box before Thursday.

Fall sports seasons are underway. Football traveled Wichita County on September 3 for their first game of the season. Volleyball hosted our annual tournament on August 28 and traveled to South Central on August 31 for their first quad. We started the football season with 17

players. We have already lost some to injury and may lose some more to eligibility. Right now, it looks like we will not be able to play any 11 man jv games. We will play Sublette in an 8 man jv contest on September 13.

Upcoming Events:

9/15 – Fall pictures

10/8 – Homecoming v SWH (Meal by After Prom parents)

10/22 – Senior parent night (Meal by Centera Bank, After Prom football and volleyball auction)
